Musica Antica

3/a

Amplissimo Ordini Canonicorum Sacrosanctæ Basilicæ Vaticanæ Ioannes Animucia. S. D.

STATE OF THE PARTY.

The xijs cantibus, quibus Ecclefia inter diuina officia hodie vtitut, plurimi fint qui fingulare artificium præfeferant, suage suautate cos qui audiunt mirabiliter delectent: tamen hoc vnum in illis a quibuse dam desideratut, verba vtipsa, quibus populierga Deum pietas continetur, apertius audiantur: nam vt illi quidem suat, non tam verba cantu exornari, quam sexionibus vocum obrui videntur. Quocirca horum hominum sudicio adductus, has preces & Deilaudes eo cantu ova nare studui, qui verborum auditionem minus perturbaret; sed sta, vt neque ab artiscio plane vacuus esse, a carium voluprati paululum sero uiret. Quod quoniam vt mish erat in animo, non sum consecutus,

conuenit is qui me norunt. & qui Musica iudicium facere possunt, rei difficultarem intueri & mearum virium imbecillitatisgnoscere. Hoc tamen quicquid est, victus eorum precibus quibus resistere nouerat acquum, in lucem edidi; medas sponte ac summa voluntate vobis dicaui Nobilissimis arque Ornatissimis viris, quorum humanitate multos iam annos cantoribus prasum. Accipite igis rur munusculum hoc: quod vobis, vt spero, non erit iniucundum, cum prastantissimi homines vel exiguo munere interdum soleant delectari.
